

Important Updates

Dear Valued Guests,

First, we hope you and your family are healthy and safe. As always, the safety and health of our team members, our guests and our local community continues to be our top priority.

For years, the Ninety Nine Restaurant has been committed to supporting our local hometown communities, and we're here for you today. Like all of you, we have to adapt during these times, and we are doing so.

- We are open from 11am-8pm for TOGO with a Limited Menu available. Order Online at 99Restaurants.com (or call us directly) and we'll bring your order right to the car!

News surrounding COVID-19 is constantly changing so we will keep you updated as we adapt. Please visit 99Restaurants.com for all the latest updates. Again, we are committed to doing everything we can to keep each other, our guests and our local communities healthy while continuing to offer you a convenient place to pick up your favorite meals for takeout.

We continue to have excellent, long-standing food safety, cleaning and sanitation protocols in place to ensure a safe, healthy restaurant for you and your family.

We look forward to continuing serving you and your family and look forward to seeing you soon!

Stay healthy.

Sincerely,
Charlie Noyes
